Point Group Notes

Catching up...

This being the first week, it's a good idea for all of us to spend some time catching up! That said, please take some time this week to answer the questions below and have them ready to bring to your group.

1. What were some highlights of your Christmas season?

2. What are you currently "rejoicing over"? What are you currently "weeping over"?

3. What has been the biggest takeaway for you during our series in Acts?

Quick Review – Have a look at your sermon notes from last week. What stood out to you the most? Did you learn anything new? Did anything said leave you with any questions?
